SPARTAN SCHOLARSHIP ASSISTANCE PROGRAM

Stafford High is starting a new initiative, the Spartan Scholarship Assistance Program. Our intent is to help high school students submit scholarship applications in a timely and professional manner. The goal of this initiative is to ensure our students are being awarded the maximum number of scholarship dollars.

We need the community's support. We need volunteers who can donate a minimum of two (2) hours each month. Volunteers can help in different ways. They include:

- identifying scholarship opportunities
- encouraging students to apply for scholarships
- proofreading paperwork and essays
- following up with students/parents for proper & timely submission

If you are interested in volunteering your time for this initiative, please contact:
