It is to be administered by the Principal or the Principal’s designee in a conference with the student and his or her parent. The agreement must be signed by all parties (including the attendee, or “guest”) or will be rendered void. All parties must know and agree to comply with the following:

  - Guest is 18 years of age or older and **is not** a current Stafford High School student
  - Guest is a former Stafford High School student who **is not** in good standing with the school/school district

**The undersigned agree to the following:**

- Stafford dance guest is subject to the same behavioral expectations and SMSD Student Code of Conduct enforcement as all Stafford High School students and will comply accordingly

- Stafford dance guest is the responsibility of their “host” (Stafford High School student) and the host’s parents. Host parent(s) agree to accept responsibility for the guest in the event that any of the contractual agreement is violated

- It is the host’s responsibility to ensure that the guest adheres to the contractual expectations or both the guest and host will be removed from the prom. Removal from the prom will affect future school discipline action, including the removal of senior privileges, and/or including ramifications for graduation ceremonies (host only). Guest misconduct will result in on-site police intervention.
